Subject: Special Meeting

I am calling a Special Meeting of the town board for 5 p.m. on Wednesday, February 17 at the town hall. The purpose of the meeting is to discuss and act upon a "proposal for services" by Crawford & Stearns, Architects, in connection with the town hall project.

C&S e-mailed me the proposal today and I have attached it to this message. I am also placing a hard copy in your town mailbox early tomorrow morning.

Unfortunately, Lydia will not be able to join us because she will be in transit back from New York. However, she will be sending us her comments on the proposal shortly via e-mail.

I will handle the public notice requirements for the meeting.

John
